'Every child will have confidence in their own self-worth and an aspiration to achieve.'

Message from Mrs Pattison

I am very proud of all the hard work and perseverance the children and staff of Marpool have shown this term. There has been some excellent progress towards targets set and I look forward to seeing this progress continuing in the new year.

In order that 'every child will have confidence in their own self worth and an aspiration to achieve', school needs to be a place where our families feel welcome and children want to come to learn and enjoy. I truly believe that this is the case.

I would like to wish all of our staff and families a very merry Christmas and best wishes for 2012.

I look forward to seeing you all on
Wednesday 4th January 2012
for the first day of school.
